INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents  
Washington, D. C. 20231

Sir:

This is an Information Disclosure Statement with regard to the above-identified application. Copies of each of the documents listed in the attached Form PTO/SB/08A are attached.

Document A relates to a photoresist cover film. Document B relates to propylene polymer composition. Document C relates to a propylene polymer film. Document D relates to an olefinic polymer. Document E relates to a polyester cover film. Document F relates to a photopolymerizable composition and layers. Document G relates to a photosensitive element, laminating method and resist forming method. Documents H, J and S relate to photosensitive resin compositions and films. Documents I, K, P, R, T and Y relate to photosensitive resin compositions and elements. Document L relates to a photosetting resin laminated body. Document M and N relate to photopolymerizable resin compositions. Document O relates to a photosetting resin composition. Document Q relates to a crosslink curable resin composition laminate. Document U relates to a photosensitive resin composition laminate, production of resist pattern, substrate, printed circuit board and apparatus. Documents V and W relate to photosensitive resin compositions and laminates. Document X relates to

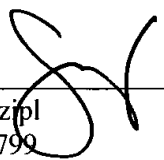

dimers derived from unsymmetrical 2,4,5-triphenylimidazole compounds as photoinitiators and corresponds to U. S. Patent 4,252,887. Document Z relates to a method of continuous lamination, manufacture of base plate for manufacturing printed-wiring board laminated with photosensitive film and device therefor. The relevance of each of the documents is believed to be clear from English-language abstracts provided herewith. Accordingly, no further comment in regard to the disclosures of these documents is believed to be required.

It is respectfully requested that the attached documents be considered and officially cited, and that a copy of the Form PTO/SB/08A, initialed by the Examiner to indicate that the documents have been considered, be returned to the applicants.

It is believed that the present Information Disclosure Statement complies with the requirements of 37 C.F.R. §§ 1.97-8. The undersigned's check for \$180.00 in payment of the fee required pursuant to 37 C.F.R. §1.17(p) is attached. The Commissioner is hereby authorized to charge any fee deficiency or credit any overpayment to the undersigned Deposit Account No. 501281.

Respectfully submitted,
